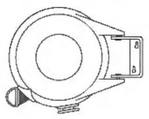
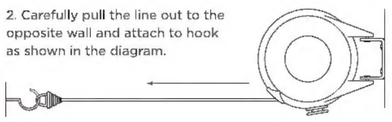
Installation Instructions

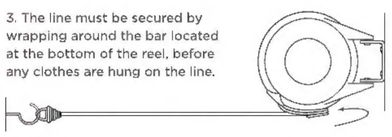
1. Install the clothes line and hook at the desired height using the fittings included in this pack.



2. Carefully pull the line out to the opposite wall and attach to hook as shown in the diagram.



3. The line must be secured by wrapping around the bar located at the bottom of the reel, before any clothes are hung on the line.



Care & Use

- Carefully remove product from packaging
- Take care when using the line by holding tightly and extending or retracting the line slowly, otherwise injury may occur
- Before drilling, ensure that the wall that you intend to mount the product on is suitable for this purpose and that you have checked for any pipes or electric cables
- Always wear the correct safety equipment when drilling and fitting
- If you have any doubts about your ability to secure this product please consult a professional.

Do Not Use this product for any purpose other than that of drying clothing. Install out of reach of young children.
